

TO WHOM IT MAY CONCERN

When I decided to sell my unit in November, I contacted Croft & Co Real Estate on Old Cleveland Road Coorparoo to list my unit with them.

The same day Clive Wilder and Kris Pcino arrived at my unit to take photos etc. and to explain how they intended to sell my unit for me. That night at 6pm my unit, photos etc were on the internet.

The following day two inspections with potential buyers, and the day after, three more inspections. The unit went to contract within four days at the price I had hoped to achieve.

The pluses working with Clive and Kris were,

1. I was kept informed after each inspection.
2. No open houses or Auction, just good old fashioned service, one on one with the potential buyer.
3. Not one dollar was paid in advertising.

I believe I achieved the best possible result in such a short time.

Thank you Clive and Kris for a job so well done.
